TERRO® Fly Magnet® Super Fly Roll

The Super Fly Roll with its unique 3D pattern, long-lasting glue, and easy-to-use design form the **SILVALURE^{SYSTEM}** technology which lures flying insects in and catches them.

DIRECTIONS FOR USE:

1. Tear the package away from the roll.
Do not remove the plastic handle.
2. Hang handle on a hook or nail.
3. While holding onto handle, pull apart as much or as little as needed of fly roll. Make sure glue surface is facing outward.
4. Attach the leading end of roll to ceiling, wall or beam, using a hook or angled nail.
5. Roll can also be hung straight down, vertically to the ground.
6. For best results, unroll the full roll with glue surface facing the ground. Flies are drawn to the sticky side of the trap.

GLUE IS EASILY CLEANED UP WITH VEGETABLE OIL.
